Short Description

Campolaia Gran Selezione 2011

Description

Campolaia Gran Selezione 2011

Wine produced exclusively from the best San Giovese grapes from a vineyard located at an altitude of 400 metres above sea level in the Chianti Classico area. Compact ruby red, the nose is intense with sweet notes of blackberry jam and cocoa that then turn to more austere hints of liquorice, black pepper, humus and bark. On the palate it is velvety, lively in acidity, with harmonious tannins and a clean, spicy finish. Contents: 0.750 L - vol.: 14%.
