Short Description

Campolaia Reserve 2012

Description

Chianti Campolaia Reserve 2012

This wine made only from Sangiovese grapes has a great impact and an intense ruby red colour. The nose is complex with notes of red fruit, raspberry, blueberry and ripe cherry, with a spicy licorice finish. When tasted it is mature with an important but sweet and enveloping tannic structure, characterized by ripe and velvety tannins. Content: 0,750 L – vol.: 15%
